## ABOUT ME

A highly motivated Informatics Engineering student at Tishreen University, specializing in front-end development. With a strong background in leading front-end teams and a passion for creating visually appealing and user-friendly interfaces, I am dedicated to advancing my skills and knowledge in the tech industry. Currently based in Baniyas, Tartus, Syria, I bring a unique blend of academic excellence and hands-on experience that sets me apart as a valuable asset in any development team.
